RE: Outbreak of Covid19

Date: 25/05/21

An outbreak of Covid 19 has been confirmed in St. Joseph's Primary School, Drogheda

Following a public health risk assessment, it has been decided that the school will need to close until Monday 7th June. This date may be subject to change depending on the results of ongoing testing.

We have recommended that all children and staff who have not yet been tested, have a Covid19 test, and are arranging for testing to be available locally. Parents and staff will be contacted about the arrangements for this shortly.

Dr. Sean Denyer

Public Health Specialist

Public Health department
